

# British Columbia School of Log Building

## WAIVER OF ALL CLAIMS, RELEASE FROM LIABILITY and ASSUMPTION of RISKS

**To: Stonehouse Woodworks Inc and David William Stonehouse** (all of whom are called “Stonehouse” in this waiver)

In consideration of Stonehouse accepting my application for and my being permitted to attend a course on log house building (“the course”), I agree to this release from liability, waiver of all claims and agreement not to sue (the “Waiver”) and I agree to assume the dangers and risks of the Course, some of which are described in this Waiver.

I waive any and all claims I may now and in the future have against Stonehouse, and release from all liability and agree not to sue, Stonehouse and its employees, agents and representatives (collectively the “Staff”) for any personal injury, death, property damage or loss sustained by me as a result of my participation in the Course due to any cause whatsoever, including, without limitation, negligence on the part of Stonehouse or the Staff.

I am aware that log house building has, in addition to the usual dangers and risks inherent in construction, certain additional dangers and risks, some of which include:

1. the use of chainsaws, power tools, heavy machinery and other equipment;
2. uneven and natural terrain
3. the presence and movement of logs and large timber

I accept all the dangers and risks of the Course and the possibility of personal injury, death, property damage or loss resulting from the Course.

I confirm that I am of the full age of eighteen years. I have read and understand this Waiver prior to signing it and agree that this Waiver will be binding upon my heirs, next of kin, executors, administrators and successors.

I agree that this Waiver shall be governed in all respects by and interpreted in accordance with the laws of the Province of British Columbia.
